Mr. Prime Minister:

I just want to emphasize that although we did not uncover any red flags in our initial, very rapid research, we are not able at this point prove or disprove that he is authentic and legitimate. At this point, we are simply saying we have found no evidence that suggests he is not. If you would like us to investigate further, we are happy to do so.

Best,
Evan

Mr. Prime Minister:

We just completed it. Please see attached. Feel free to contact me with any questions.

Best,
Evan
